

# What are your priorities for Veterans across Indian Country?

May 2016

**VA wants to know the top 3–5 priorities that tribes have for serving and engaging Veterans.** We are gathering input on your priorities for Veterans to help create an **Indian Country Veterans Affairs policy agenda**, which will inform tribal governments, VA, members of Congress, and other Veteran-serving partners in coming years.

This list shows the issues and priorities VA has worked to address in recent years.

What are your priorities for serving Veterans in your community? Use the list below to identify your top 3–5 priorities, or add new issues of your own.
